

## Stay Connected. Stay on the road.

### Remote Commands

- ▶ **Remote Lock/Unlock**  
Lock or Unlock your Nexon EV remotely using Tata Motors ZConnect app.
- ▶ **Remote Lights On/Off**  
Operate your Nexon EV lights (low beam position and hazard lights) using Tata Motors ZConnect app.
- ▶ **Remote Cooling**  
Pre-cool your Nexon EV cabin using Tata Motors ZConnect app.
- ▶ **Remote Horn**  
Operate horn and hazard lights using Tata Motors ZConnect app.

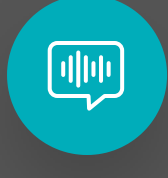

### Vehicle Health Monitoring

- ▶ **Battery Charge Status and Distance to Empty**  
Know your Nexon EV battery charge status and distance to empty using Tata Motors ZConnect app.
- ▶ **Critical Alerts**  
Get alerts on Tata Motors ZConnect app from your Nexon EV for various event-based scenarios. Configure more than 20+ alerts.
- ▶ **Car Health Dashboard**  
Get status of critical health parameters of your Nexon EV's battery pack, motor, etc. on Tata Motors ZConnect app.
- ▶ **Charging Status and Time to Full Charge**  
View charging status and time remaining to fully charge your Nexon EV on Tata Motors ZConnect app.
- ▶ **Over the Air Software Updates**  
Over-the-air (OTA) updates for Telematics Control Unit (TCU).
- ▶ **Charging History**  
View charging history of your Nexon EV on Tata Motors ZConnect app.

### Safety and Security

- ▶ **Remote Immobilisation**  
Remotely immobilise your Nexon EV in case of theft through Tata Motors call centre support.
- ▶ **Speed Alert**  
Set speed limit for your Nexon EV and get alerts whenever set speed limit is crossed on Tata Motors ZConnect app.
- ▶ **Intrusion Alert**  
Get notified of intrusion in your Nexon EV on Tata Motors ZConnect app.
- ▶ **SOS Notification in Case of Accident**  
In case of an accident, notify your pre-authorized emergency contacts through automatic SMS.
- ▶ **Real-Time Location Sharing**  
Share your real-time location with friends and relatives using Tata Motors ZConnect app.
- ▶ **Panic Notification**  
Trigger panic alarm using your Nexon EV key unit to send SMS to pre-authorized emergency contacts set on Tata Motors ZConnect app.
- ▶ **Manual SOS Notification in Case of Emergency**  
Use SOS button on Tata Motors ZConnect app to notify your pre-authorized emergency contacts through SMS.
- ▶ **Valet Mode**  
Set automatic geofence when handing over your Nexon EV to a valet using Tata Motors ZConnect app.
- ▶ **Roadside Assistance**  
Contact Tata Motors roadside assistance service using Tata Motors ZConnect app.
- ▶ **24x7 Remote Call Centere Support**  
24x7 Call Centere to seek support for your Tata Motors ZConnect app.

### Trip Analytics and Driver Behaviour Score

- ▶ **Trip History**  
View trip-wise information, such as start point, end point, distance travelled, average speed, maximum speed, etc. Share trip updates on social media via Tata Motors ZConnect app.
- ▶ **Trip Analytics**  
View detailed analytics, such as distance travelled, charge consumed, etc. of your recent trips on Tata Motors ZConnect app.
- ▶ **Driving Behaviour Score**  
Know your driving score based on your driving behavior, such as harsh breaks, sharp turns, sudden acceleration, etc.

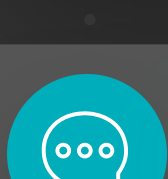

### Location Based Services

- ▶ **Time Fencing**  
Get notified when your Nexon EV is moved within a restricted time range set on Tata Motors ZConnect app.
- ▶ **Geofencing**  
Get notified when your Nexon EV moves outside of the geo-fence set on Tata Motors ZConnect app.
- ▶ **Find My Car**  
Locate your Nexon EV using Tata Motors ZConnect app.
- ▶ **Navigation**  
Get navigation instructions by setting your destination on Tata Motors ZConnect app. Based on distance and real time charge level, get nearest charger location suggestions on the app.
- ▶ **Find Nearest Charging Station**  
Find nearest charging station using Tata Motors ZConnect app.
- ▶ **Nearest Tata Motors Service Center**  
Search the nearest Tata Motors Service Center using Tata Motors ZConnect app. You can also call Tata Motors authorized service center/call center from registered mobile number.
- ▶ **Weather Updates**  
Get weather updates on Tata Motors ZConnect app.
- ▶ **What 3 Words**  
Navigate anywhere with precision using What 3 Words.

### Social tribes

- ▶ **Tribes ( Social Groups)**  
Connect with other Nexon EV users by becoming a member of social tribes on Tata Motors ZConnect app. You can also participate in challenges offered in tribes, earn badges and see the relative scores.
- ▶ **Leaderboards for the Week/Month**  
Get featured on social tribes leaderboards based on your distance/driving score

### Custom Message

- ▶ **Greetings on Instrument Cluster**  
Get birthday wishes on instrument cluster display of your Nexon EV.

### Android Auto™ and Apple Car Play™ support

- ▶ Android Auto™ and Apple Car Play™ for smartphone integration with Nexon EV Infotainment system
